On behalf of the Philippine Amusement and Gaming Corporation (PAGCOR), it is my great pleasure to formally endorse the IAG EXPO, set to take place at Newport World Resorts from September 8 to 10, 2025.

In addition to our full endorsement of the IAG EXPO, we are pleased to express our enthusiastic support for all four key components of the event, specifically:

1. The Manila After Dark Event at Casa Buenas, Newport World Resorts, on September 8, 2025, from 6:30pm to 9:30pm.

4. The IAG Exhibition at Ballroom BCD, Newport World Resorts, on September 9 and 10, 2025, during the daytime hours.

PAGCOR recognizes the crucial role that Inside Asian Gaming (IAG) has played and continues to play in supporting and covering the legal and regulated gaming industry in the Philippines and the broader Asia-Pacific region since its founding in 2005. Over the past 20 years, IAG has established itself as the undisputed leader in media coverage of the land-based gaming industry across the Asia-Pacific. Its reputation for authority and credibility has made IAG a driving force in organizing premier industry events, such as the IAG EXPO.

We would like to take this opportunity to highlight that IAG successfully hosted the Manila After Dark, the IAG Academy Summit, and the IAG Academy IR Awards at Newport World Resorts in both September 2023 and September 2024. We extend our best wishes to IAG for continued success with the addition of the IAG Exhibition, set to launch in September 2025.

IAG holds a unique and influential position within the Asian gaming industry. Founded in Asia, IAG has evolved over the past two decades into more than just a media brand or an events company. It has become a unifying force, bringing together global leaders and key stakeholders to Asia, with a particular focus on the Philippines. Through its leadership, IAG plays a pivotal role in shaping the industry narrative, fostering important conversations about the growth, improvement, and sustainable development of our sector.

We are confident that the IAG EXPO will not only highlight the latest cutting-edge technological innovations but also set the standard for industry thought leadership. Additionally, it will offer ample opportunities for informal networking and socializing, fostering an environment where industry professionals can exchange ideas and insights in a relaxed and collaborative setting.

Hosting the IAG EXPO in the Philippines highlights our country as a premier destination for business, collaboration, and excellence. We wholeheartedly support the IAG EXPO, as it perfectly aligns with PAGCOR's ongoing dedication to fostering the growth and sustainable development of the Philippine regulated gaming industry.

We are confident that the IAG EXPO will be a resounding success and eagerly anticipate its return to our shores annually for many years — if not decades — to come.

Kind regards,

ALEJANDRO H. TENGCO
