

# INTRODUCING GALAXY MACAU

## *Best IR Gaming Floor*

### **The Perfect Gaming Floor Experience**

In the heart of Macau, we've created more than a gaming floor—we've built an arena of energy, trust, and excitement where every guest feels like a winner, no matter the result at the tables.

### **Key Highlights:**

#### **Bespoke Service, Genuine Warmth**

Galaxy Macau's team members are at the central curators of the experience. Guided by Asian Heart Service, they bring warmth and sincerity that feels personal and real. Dealers cheer for guests, team members engage in lively conversation, and every interaction feels like a celebration. This genuine connection is matched by integrity—accurate ratings ensure every point is earned fairly, giving guests the confidence that their play is always recognized.

#### **An Environment that Sets the Stage**

The moment guests step onto the floor, the difference is clear. Galaxy Macau was the first in Macau to introduce bright, dynamic lighting that energizes the room and highlights every detail. Carefully curated music resonates with the diverse customer base, while a signature scent ties the environment together—stimulating the senses and creating a space that feels as exciting as it is comfortable.

#### **Smart Products, Endless Choice**

Smart table deployment puts fairness and ease first—every hand tracked with precision; every point earned accurately. Guests know their rewards reflect their play, and that confidence powers the experience. And for those who love Baccarat, the selection is unmatched: table after table offering the chance to catch a run that feels victorious, making every seat a thrilling possibility.

#### **Food & Beverage Without Boundaries**

Gaming flows seamlessly into dining, with the widest selection of restaurants inspired by provinces across China. Guests can explore regional flavors without leaving the property, or enjoy grab-and-stay options—bite-sized delights designed for gamers who want to fuel up without missing a moment of action.

#### **Activation & Entertainment**

The fun doesn't stop at the tables. Galaxy Macau's lucky draw zone bursts with interactive giveaways for members, while live entertainment keeps the atmosphere buzzing. Whether guests are gaming, dining, or soaking in the energy, there's always another layer of excitement to discover.

#### **A Winning Experience Every Time**

Every detail—service, environment, products, dining, entertainment—has been designed to delight. While it is a game of luck, guests leave with the feeling of victory, because the experience itself is unforgettable. This is the best gaming floor in Macau: a place where every moment is a win.
