BY SPINTEC

nomination for
BEST ETG SOLUTION
Charisma

Spintec's latest
Charisma line is
making waves
globally with its
seamless fusion
of relaxation and
intense gameplay.

Designed to captivate, **Charisma** features crystal-clear high-resolution monitors, intuitive touchscreen controls, and exceptional seating comfort, ensuring an immersive and engaging gaming experience.

Its sleek and modern design enhances the casino floor, drawing players in with razor-sharp graphics and an elegant, animated topper. The carefully

designed LED signage ensures **Charisma** stands out, attracting attention from across the casino.

Charisma has already earned recognition as the **best Electronic Table Game (ETG) in Asia**, a testament to its unrivaled appeal and performance. With a perfect balance of comfort and focus, **Charisma** redefines what an ETG should be, setting a new global standard in player experience.
