RESORT OPERATOR OR  
SUPPLIER SOLUTION

**S** **Spintec** has firmly established itself as the No. 1 provider of electronic table games (ETGs) in Macau, a market known for its size, strict regulations, and high operational standards. As the beating heart of Asia's gaming industry, Macau is a gateway to the entire region, and our leadership here reflects **Spintec's** broader strength across Asia. Our presence in Asia is stronger than ever, driven by a deep understanding of the market's needs and

a commitment to delivering cutting-edge ETG solutions that enhance the player experience and casino profitability. **Spintec's** products are the preferred choice for operators seeking reliability, innovation, and seamless integration into their gaming floors. Our success in Asia is further fueled by our unwavering focus on product excellence and continuous innovation, exemplified by the recent launch of our **Charisma** line. From stand-alone, compact

solutions to multiplayer and amphitheater setups, **Spintec's** ETGs are designed to optimize player engagement and operational efficiency. Casinos across the region trust our solutions to maximize uptime and elevate gameplay. With a growing number of installations and continued market dominance, **Spintec** is not just present in Asia - we are shaping the future of ETGs in the world's most prestigious and dynamic gaming hubs.
