**T**revor Hammond has been the driving force behind NUSTAR Resort & Casino Cebu's rapid rise as the Philippines' newest world-class integrated resort and the first and only of its kind in the Visayas and Mindanao. As Senior Vice President for Gaming & Integrated Resort Operations, he has overseen the transformation of NUSTAR into a destination that seamlessly blends luxury hospitality, premier retail, fine dining, entertainment, and a 21,000-square-meter casino floor. In just two years since opening, NUSTAR has redefined Cebu's tourism landscape, setting new benchmarks for integrated resort excellence in the Philippines.

Under Hammond's visionary leadership, NUSTAR has achieved in two years what others accomplished in a decade. He has steered a balanced strategy that has firmly established the property's strength in both VIP and mass gaming markets, while also laying the foundation for continued expansion. Beyond numbers, he has elevated NUSTAR as a source of pride for Cebu, creating jobs, driving

economic uplift, and positioning it as a serious competitor among Asia's premier destinations.

From opening icons in Macau to building landmarks in Cebu, Hammond's legacy spans Asia's greatest resorts

With over three decades of global integrated resort experience, including leadership roles in the landmark launches of Macau's most iconic properties, Hammond brings a pedigree of success matched by few in the industry. His unwavering commitment to
