It is my honor to extend a warm welcome to all attendees of the IAG Academy IR Awards 2025.

This prestigious event is more than a celebration of excellence – it is a recognition of the vision, innovation and dedication that continue to elevate the integrated resort industry in the Asia-Pacific region. The IAG Academy IR Awards not only highlight outstanding achievements, but also set new benchmarks for quality, sustainability and responsible gaming across the region.

At PAGCOR, we are proud to support initiatives that inspire progress and honor leadership in our industry. As the gaming and entertainment landscape evolves, these awards remind us of the importance of integrity, collaboration and a shared commitment to excellence.

The Philippines is privileged to be part of this dynamic sector and we remain committed to promoting a regulatory environment that fosters growth, innovation and long-term value for both investors and communities.

Congratulations to all the nominees and awardees whose efforts continue to shape the future of integrated resorts in the Asia-Pacific region. Your work sets a high standard – and an example for the entire industry.

On behalf of PAGCOR, I wish everyone a memorable and meaningful evening. Mabuhay and congratulations!

Alejandro H. Tengco Chairman and CEO Philippine Amusement and Gaming Corporation

ANDREW W SCOTT

Vice Chairman and CEO Inside Asian Gaming

The IAG Academy IR Awards were launched in Macau in late 2021 via a small pandemic-affected event at which we named six individual winners across just two awards categories: Industry Icons and Rising Stars.

After having to skip the event in 2022 due to the pandemic reaching its crescendo in Asia, the IAG Academy IR Awards made the move to Hilton Manila, Newport World Resorts in 2023 as an expansion of the original concept and returned again in 2024 after establishing the Philippines and NWR as its new long-term home.

The Asian integrated resort industry has come of age over the past two decades and now boasts a range of magnificent properties in places like Macau, the Philippines, Singapore, Australia, Cambodia, Korea, Vietnam and New Zealand, with more countries on the way such as Japan and maybe even Thailand. Asia-Pacific IR offerings are only going to get better as time goes on, and for an industry of such opulence it makes sense that there be a prestigious annual awards to recognize them.

It is with this in mind that we welcome you to the fourth IAG Academy IR Awards, and the third at Newport World Resorts, following the tremendous success of the past two years.

This event represents our efforts to present awards that are fair and judged by the industry at large. There is no favoritism and certainly no giving awards to the highest paying sponsors or advertisers. That is why we have named 100

expert judges – employing the "wisdom of the crowd" – to determine this year's award winners. Naturally, no judge will be permitted to vote in any category in which they have a vested interest.

We are also excited to see this event grow. This year's event forms part of the inaugural IAG EXPO – which includes a full-scale industry exhibition that will accompany our Awards, Summit and Manila After Dark welcome drinks. As such, the IAG Academy IR Awards this year move from the Hilton Manila Ballroom to the Manila Ballroom at the Marriott and we expect this much larger venue to be home to the awards for many years to come.

This highlights our long-term commitment to the Philippines, which as the most exciting growth market in Asia is undoubtedly the perfect place for IAG to plant its flag.

The IAG Academy IR Awards are the true awards of the Asian IR industry and we are pleased to bring you this gala dinner in the plush surrounds of Manila Marriott at Newport World Resorts.

I would like to thank Manila Marriott and Newport World Resorts for their support, as well as the entire IAG team for the enormous amount of effort they have put in to make this event a reality. I would also like to thank all of our sponsors. Without them all, none of us would be sitting here tonight.

I hope you all enjoy a wonderful evening full of great conversation, lively entertainment, a sumptuous selection of food and wine and of course a lot of excitement for our Award winners!

ABOUT IAG ACADEMY AWARDS

The IAG ACADEMY IR AWARDS is a live in-person blacktie gala dinner event held each September at Newport World Resorts in Manila, Philippines, as part of the wider IAG EXPO. The Awards celebrate and recognize the best of the best in the integrated resort industry across the Asia Pacific region.

Organizer Inside Asian Gaming is an Asian born and bred company with an in-depth knowledge of the people and companies who have made the industry in the Asia-Pacific region what it is today. Publishing around 2,000 news, analysis and opinion articles on the industry in APAC each year, IAG has the credibility and convening authority to organize the most prestigious, credible and recognized Awards for the Asia-Pacific Integrated Resort industry.

Our number one priority with the IAG ACADEMY IR AWARDS is transparency and fairness. As with everything IAG does, we do it differently. We want to see the true best-of-the-best honored and therefore take extraordinary steps to ensure each category is judged and awarded without fear or favor. Anybody can make public nominations. The Awards judging process is fully audited. There are a large number of Awards judges. The criteria to be a judge is published and any person meeting that criteria will be allowed to become a judge if they wish to do so. Judging is by vote and the votes are sealed and kept indefinitely to allow future audit if necessary.

The **IAG ACADEMY IR AWARDS** are the true awards of the Asia-Pacific gaming industry!

Inside Asian Gaming is Asia's leading B2B digital and print media brand for the gaming, resort and entertainment industry. It has the highest website traffic, social media following, digital newsletter distribution and print magazine distribution of any such brand.

Founded in 2005, IAG has a broad business editorial focus on the Asian gaming and integrated resort industry. It is widely distributed to industry executives throughout Macau and the rest of Asia in two formats: a monthly English and traditional Chinese fully bilingual digital and print magazine and a daily English language e-newsletter titled *IAG Breakfast Briefing*, delivered at 8am Macau time in English and 11am in traditional Chinese each weekday. IAG also publishes special magazine editions for G2E Asia each May, the IAG EXPO in September and the Asian Gaming Power 50 each November.

IAG produces all original content. As well as almost always being the first media outlet to publish breaking industry news, the deep domain knowledge our journalists have accumulated from as far back as the 1980s allows IAG to offer highly insightful opinion pieces and analysis of industry news. We do not aggregate media content or copy from other media outlets. Conversely, IAG is often the original source (sometimes credited, more often not!) of many stories published around the world covering the Asian IR and gaming industry.

AWARDS PROCESS

PUBLIC NOMINATION PERIOD Mon 2 June to Wed 30 Jul 2025

Any member of the public is allowed to submit nominations for any award category by visiting iagacad.com and completing the nomination webform. There is no prohibition against self-nomination. Nominations close strictly at midnight Manila time at the end of Mon 12 Aug 2024, and late nominations will not be accepted.

OFFICIAL NOMINEES SELECTED

Thu 31 Jul to Fri 8 Aug 2025

A select committee of the Judging Panel (itself appointed by the Chairman of the judging Panel) will select the official nominees for each award category from amongst the public nominations received during the public nomination period.

NOMINEE ANNOUNCEMENT AND PROMOTIC Mon 11 Aug to Wed 27 Aug 2025

The official nominees for each category will be publicly announced on the IAG Academy website iagacad.com, IAG's website asgam.com, and by direct email to IAG's entire email list, beginning a publicity period before the official voting period begins.

AWARDS PROCESS

OFFICIAL VOTING PERIOD

Sat 30 Aug to Sat 6 Sep 2025

The full panel of judges will vote on all categories from amongst the official nominees. The voting system is first-past-the-post, and the Chairman of the Judging Panel has the casting vote in the event of a tie. Any judges who were nominated, whose organizations were nominated or have a conflict of interest as determined by the Chairman of the Judging Panel will be recused from the relevant category or categories.

VOTE TALLYING AND AUDITING

Sun 7 and Mon 8 Sep 2025

The votes will be tallied by the Chairman of the Judging Panel in a secure location. The Chairman then certifies the winners, with the entire process independently audited. The results will be locked in a safe until just before the commencement of the Awards ceremony.

AWARDS CEREMONY

Tue 9 Sep 2025

The Chairman of the Judging Panel keeps the winners' envelopes on his person until just before the winners are announced.

The judging panel of the IAG Academy IR Awards comprises some of the most experienced minds in the business representing a variety of sectors including operators, suppliers, lawyers, consultants, industry media and more. They are all extremely well-connected to the industry.

The very large judging panel of 100 judges was chosen for two reasons. Firstly, it provides a broad cross section of the industry. Secondly, a large voting pool promotes a very fair and democratic process in the selection of the winners, adding to the credibility and prestige of the awards.

All judges were required to meet certain predetermined criteria to be admitted to the judging panel, including a minimum of 10 years IR industry experience with a minimum of five years in the Asia-Pacific region. But for many of the judges, their industry experience spans many decades.
