Regional expertise, worldwide

ALEJANDRO H. TENGCO

Chairman and CEO
Philippine Amusement and
Gaming Corporation

It is with great pleasure that I welcome all participants, exhibitors and esteemed guests to the IAG Expo 2025.

This year marks an exciting evolution from last year's IAG Summit to the inaugural IAG Expo — a bold step forward that reflects the growing scale, ambition and influence of this event within the gaming, entertainment and integrated resort industries of the Asia-Pacific region. The transition to a full-scale expo demonstrates the strength of our collective momentum and the industry's readiness to embrace new opportunities.

At PAGCOR, we strongly support initiatives that bring stakeholders together to foster innovation, strengthen regulatory practices and promote sustainable growth. Events like IAG Expo are vital platforms for building meaningful dialogue, sharing expertise and exploring the future of responsible gaming in a rapidly evolving landscape.

WELCOME MESSAGE

The Philippines remains committed to being a regional leader in gaming regulation and development, and we are proud to be part of this gathering of visionaries, investors and innovators.

We look forward to the valuable insights, partnerships and progress that will emerge from IAG Expo 2025. On behalf of PAGCOR, I thank you for your continued support and wish everyone a productive and inspiring experience.

Mabuhay and welcome!

Alejandro H. Tengco
Chairman and CEO
Philippine Amusement and Gaming Corporation

KEVIN L. TAN

Executive Chairman
Newport World Resorts

It is with great pride that we welcome this year's IAG Expo to Newport World Resorts.

What began as a partnership founded on shared industry values has now evolved into a collaboration that reflects a mutual commitment to innovation, excellence and regional growth. To host IAG's flagship event for a third consecutive year is both a privilege and a testament to the Philippines' emerging role as a key jurisdiction in Asia's integrated resort and gaming landscape.

As the country's pioneer integrated resort, Newport World Resorts has long been committed to pushing the boundaries of what a gaming and entertainment destination can be. This year, we continue our evolution with the relaunch of our digital gaming platform. In close coordination with PAGCOR and relevant agencies, we aim to set the benchmark for responsible innovation in this space, reinforcing our shared goal of creating a secure and sustainable gaming environment in the Philippines.

WELCOME MESSAGE

At the heart of our growth is a deeper purpose. As part of Alliance Global Group, our mission is rooted in nation-building, in creating jobs, investing in Filipino talent and building platforms that showcase the richness of our culture to the world. Every innovation and every milestone is a step toward enabling inclusive progress and reinforcing the Philippines' global competitiveness in tourism and entertainment.

To our friends at *Inside Asian Gaming*, thank you for your continued trust. To our peers and partners, welcome to Newport World Resorts. May this Expo open up new opportunities for collaboration and drive the next chapter of growth for our industry.

ANDREW W SCOTT

Vice Chairman and CEO
Inside Asian Gaming

It is with great pleasure that I welcome you to the 2025 IAG EXPO at Manila Marriott Newport World Resorts. This year represents the third year that IAG has brought the industry together here at Newport World Resorts but the first time we've added an exhibition to our festival of events each September.

Comprising the IAG Exhibition, the IAG Academy Summit, the IAG Academy IR Awards and our traditional Manila After Dark welcome event, the IAG EXPO aims to provide a full suite of business and networking activities to serve the industry's needs – all done in IAG's unique way. We've certainly come a long way from the seedling we planted in late 2021 via a small pandemic-affected awards event at The Londoner Macao at which we named six individual winners across just two awards categories: Industry Icons and Rising Stars.

Like that initial awards ceremony, we are launching the first ever IAG Exhibition this year as a "boutique" event and we welcome 17 founder exhibitors who are exhibiting with us in Manila. We see this as a foundation from which to build as evidenced by the fact that IAG and NWR have already locked the IAG EXPO in place in the second week of September for many years to come.

We are also truly proud of the IAG Academy Summit program we have put together for September 9 and 10, highlighted by some of the biggest names in the global gaming industry.

WELCOME MESSAGE

Our Keynote Speakers are none other than PAGCOR Chairman and CEO Alejandro H. Tengco (Tuesday) and Newport World Resorts CEO Nilo Rodriguez (Wednesday), while we have a raft of very high profile and knowledgeable speakers and panelists lined up for what we believe will provide attendees with fascinating and invaluable insights.

Likewise, we look forward to honoring the best of the best in our industry at the IAG Academy IR Awards, taking place in the Manila Ballroom at Manila Marriott on Tuesday evening, September 9. Having been held at Hilton Manila for the past two years, the move to Manila Marriott sees the space for this year's awards grow by 50% – again highlighting IAG's commitment to keep growing this event from year-to-year.

I would like to thank Manila Marriott and Newport World Resorts for their support, as well as the entire IAG team for the enormous amount of effort they have put in to make this event a reality. Thanks too to our EXPO and Summit sponsors. Without all of them, none of us would be enjoying this event.

I hope you all enjoy a wonderful three days full of unique insights and business opportunities at IAG EXPO and I look forward to catching up with each and every one of you in the coming days.

ABOUT IAG EXPO

Inside Asian Gaming turns 20 years old in 2025 and in those two decades has accumulated very significant experience in attending B2B gaming industry trade events all over the world – from exhibitions to thought leadership gatherings to networking events, and more. Not only has IAG played a part in these events as a visitor or in many cases an exhibitor, it has regularly helped organize key components of them, as well as organizing around 100 of its own thought leadership and social events over the years.

The IAG EXPO was born from this experience and with the direct encouragement of key industry participants – operators, suppliers and others.

In November 2021, IAG held an early precursor to the IAG EXPO when it launched the IAG Academy IR Awards. The event, held during the COVID-19 pandemic, comprised a simple ceremony in Macau honoring the industry's finest. There were no awards in 2022 due to the pandemic reaching its crescendo in Asia but in 2023 the event moved to Newport World Resorts in Manila, Philippines as part of a broader series of events comprising the IAG Academy IR Awards, the inaugural IAG Academy Summit and networking social Manila After Dark, which doubled as a welcome event.

At the end of the 2024 event, IAG announced that the entire festival was to be rebranded as IAG EXPO and from 2025 would include the addition of the IAG Exhibition, ensuring a full suite of industry offerings in the heart of Asia's biggest growth market.

The IAG EXPO is now a true B2B festival of the Asia-Pacific gaming industry, primarily focused on land-based gaming but acknowledging the role the online industry plays in the broader Asian market. And 2025 is just the start, with IAG already planning for the future – Newport World Resorts is now locked in as the venue for IAG EXPO from the second Tuesday in September each year for many years to come.

ABOUT IAG EXHIBITION

This year represents the debut of the IAG Exhibition at IAG EXPO – building on the success enjoyed by the IAG Academy Summit and IAG Academy IR Awards in 2023 and 2024.

At IAG, we do things differently. We listen. We think about your business needs, not ours. And you know us: Andrew, Scott, Ben, Jadeson, Dorothy and the rest of our team. We're always looking to do things better and more inexpensively than other media and event companies. We do things authentically and we think for the long run benefit of the entire industry. Basically, we actually care.

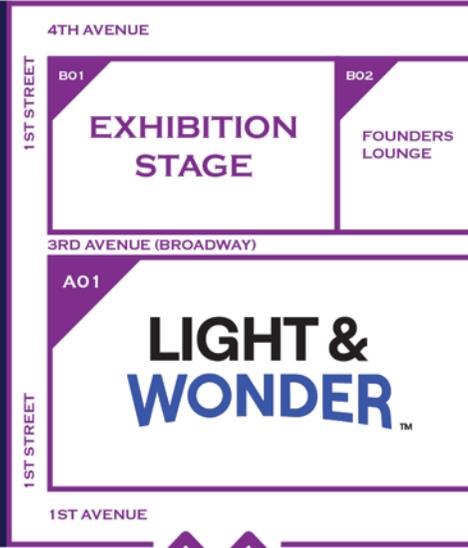

Over the years, we've heard dissatisfaction from our clients with the existing trade show offerings out there for the Asia-Pacific gaming industry. The two most common complaints: exhibitions are too expensive – almost to the point of price gouging – and the organizers of these trade shows don't treat their customers well enough.

It's this type of feedback that initially led us to create the IAG Academy Summit and the IAG Academy IR Awards, both of which have been smash successes over the past two years.

Now, following extensive industry encouragement, we've added the IAG Exhibition with the goal of making the new IAG EXPO the definitive and quintessential Asia-Pacific gaming trade show!

TRANSPORTATION

Ride-share is the most reliable, safe and efficient way to get around Manila if you need to leave the venue at any stage during your stay.

For a visitor in the Philippines, Grab is the best and most convenient ride-share app. Think of it as a local equivalent to Uber or Lyft. After downloading Grab on your smartphone and registering with a mobile number, you'll see several ride options, as described below:

GrabCar:

A private, air-conditioned car driven by a professional driver.

GrabTaxi:

Hails a metered, regulated taxi through the app. Fares follow local taxi tariffs. However, a GrabCar will almost always be a higher quality vehicle.

GrabBike:

A two-wheeled motorcycle taxi.

GrabShare:

A car-pool service that pairs you with fellow passengers headed in the same direction, lowering your fare.

Booking generally takes less than 30 seconds, but cars can take anything from one to ten minutes to arrive due to Manila's challenging traffic conditions.

Set your pickup and drop-off points, choose a ride type, then confirm. You'll see your driver's name, photo, vehicle details, and an estimated fare before you ride. You can pay either with cash or credit card through the app. Real-time GPS tracking displays your route for peace of mind.

Taking a Grab makes getting around safe, convenient and predictable compared to taxis — which can be problematic for a number of reasons.

For those new to the Philippines, here is some basic information about travelling to the IAG EXPO.

The venue for the IAG EXPO, Newport World Resorts, is located right alongside Manila's Ninoy Aquino International Airport (NAIA), the main airport for the city. NWR is accessible by foot from NAIA Terminal 3 via a fully enclosed and air-conditioned walkway bridge, known as Runway Manila. Simply follow the signs in Terminal 3. It takes around 10 to 15 minutes to walk from NAIA to NWR via Runway Manila.

If you are arriving via Terminal 1 or Terminal 2 you will require ground transportation to get to NWR. Ground transportation is also available from Terminal 3 if you prefer to avoid the walk via Runway Manila.

Be sure to fill out your mandatory electronic arrival form before arrival, which can be accessed at eTravel.gov.ph.

Newport World Resorts is a modern, world-class integrated resort featuring five hotels – seven if you include the (very) close Belmont and Savoy Hotels just across the road from the IAG EXPO venue. NWR has over 50 food and beverage outlets, a spa and more than 100 retail stores.

PLAN YOUR VISIT

We recommend that you arrive on Sunday 7 September – or at the very latest in the morning of Monday 8 September – in order to attend Manila After Dark (MAD) at Casa Buenas, NWR on Monday evening. MAD is a wonderful social networking event that doubles as the welcome drinks for the IAG EXPO and provides an early opportunity for guests to mingle with other attendees, including senior PAGCOR officials.

The IAG Exhibition kicks off at 10am on Tuesday 9 September with an Opening Ceremony, followed shortly after by the start of the IAG Academy Summit. Both the exhibition and the summit are two-day events.

The IAG Academy IR Awards will be held on the evening of Tuesday 9 September in the Manila Ballroom, from 6:30pm to 10pm. The exhibition, summit and awards are all located within the broader confines of Manila Marriott at NWR – only a short 1-minute walk from the hotel lobby itself – however the other hotel options at NWR are all within a 5-minute walk of the venue. Manila Marriott, which opened in 2009, was the first hotel to open at NWR.

IAG has arranged special rates for attendees of IAG EXPO at any of NWR's five hotels: Hotel Okura, Hilton Manila, Manila Marriott, Sheraton Manila and Holiday Inn Express Manila. Access to the venue from the first four hotels is completely undercover. To book, visit our accommodation page.

For more budget-conscious travellers, the nearby Belmont and Savoy are also viable accommodation options. Although they are technically not part of NWR, they do form part of the NWR township and are in fact closer to the event venue than some NWR hotels. Access to the venue does require crossing a road which is not undercover.

When departing Manila after IAG EXPO, we recommend flying out no earlier than Thursday 11 September to ensure you are part of all of the week's festivities. Please note that if you are taking ground transportation to NAIA you should allow up to 30 minutes to reach your terminal because although the distance is short, Manila traffic can be challenging!

The unit of currency in the Philippines is the peso (PHP), with an exchange rate of approximately US\$1 = PHP 57.

Over the past 20 years, IAG has established itself as the undisputed leader in media coverage of the land-based gaming industry across the Asia-Pacific. Its reputation for authority and credibility has made IAG a driving force in organizing premier industry events, such as the IAG EXPO.

PAGCOR ENDORSEMENT

IAG holds a unique and influential position within the Asian gaming industry. Founded in Asia, IAG has evolved over the past two decades into more than just a media brand or an events company. It has become a unifying force, bringing together global leaders and key stakeholders to Asia, with a particular focus on the Philippines. Through its leadership, IAG plays a pivotal role in shaping the industry narrative, fostering important conversations about the growth, improvement, and sustainable development of our sector.

We are confident that the IAG EXPO will not only highlight the latest cutting-edge technological innovations but also set the standard for industry thought leadership. Additionally, it will offer ample opportunities for informal networking and socializing, fostering an environment where industry professionals can exchange ideas and insights in a relaxed and collaborative setting.

Hosting the IAG EXPO in the Philippines highlights our country as a premier destination for business, collaboration, and excellence. We wholeheartedly support the IAG EXPO, as it perfectly aligns with PAGCOR's ongoing dedication to fostering the growth and sustainable development of the Philippine regulated gaming industry.

We are confident that the IAG EXPO will be a resounding success and eagerly anticipate its return to our shores annually for many years — if not decades — to come.

Inside Asian Gaming is Asia's leading B2B digital and print media brand for the gaming, resort and entertainment industry. It has the highest website traffic, social media following, digital newsletter distribution and print magazine distribution of any such brand.

Founded in 2005, IAG has a broad business editorial focus on the Asian gaming and integrated resort industry. It is widely distributed to industry executives throughout Macau and the rest of Asia in two formats: a monthly English and traditional Chinese fully bilingual digital and print magazine and a daily English language e-newsletter titled *IAG Breakfast Briefing*, delivered at 8am Macau time in English and 11am in traditional Chinese each weekday. IAG also publishes special magazine editions for G2E Asia each May and the Asian Gaming Power 50 each November.

IAG produces all original content. As well as almost always being the first media outlet to publish breaking industry news, the deep domain knowledge our journalists have accumulated from as far back as the 1980s allows IAG to offer highly insightful opinion pieces and analysis of industry news. We do not aggregate media content or copy from other media outlets. Conversely, IAG is often the original source (sometimes credited, more often not!) of many stories published around the world covering the Asian IR and gaming industry.

FUTURE YEARS

IAG has made a long-term commitment to the IAG EXPO. Our company has a more than 20-year history since we were founded in 2005. We are used to long-term commitments to events, as is evidenced by our first ever event, the IAG Power 50 Black Tie Gala Dinner, the history of which dates back to 2008.

We have already planned the dates for the IAG EXPO through to 2040. Of course, these dates can change, but historically IAG has very much stayed firm on previously announced dates.

Day 1 is always planned to be the second Tuesday in September.

Day 0 is therefore the previous day, a Monday. That day will see the IAG EXPO Welcome event, from 6:30pm to 9:30pm.

Day 2 is therefore a Wednesday, the day after Day 1.

The IAG Exhibition is planned for Days 1 and 2 (Tue and Wed), from 10am to 5pm both days.

The IAG Academy Summit is planned for Days 1 and 2 (Tue and Wed), from 11am to around 4:30pm on day 1, and from 10am to around 4:30pm on day 2. A day 3 may eventually be added at some stage in the future.

The IAG Academy IR Awards are planned for the Day 1 evening (Tue), from 6:30pm to 10pm.

The venue is planned to be Newport World Resorts in Manila indefinitely.

These are the terms that govern your attendance at and/or participation in the IAG EXPO, whether as a delegate, speaker, media, VIP or in any other capacity. By registering for and/or attending any part of the IAG EXPO you are agreeing to these terms, which form a legal contract between Asgam Limited (doing business as "Inside Asian Gaming" and "IAG") and the attendee and/or participant ("you"). If you are registering on behalf of another person it is your responsibility to ensure that the person attending is aware of these terms and accepts them, and by completing the registration you are warranting that you have made the attendee aware of these terms and conditions and that they have accepted these terms and conditions.

ADMITTANCE

Your registration fee entitles you only to admittance to the relevant event(s) within the IAG EXPO. All other costs associated with your attendance (including without limitation any travel and/or accommodation expenses) shall be borne solely by you and IAG shall have no liability for such costs. We reserve the right to refuse admission to any person whom we consider in our absolute discretion to be unsuitable for admission to the any part of the IAG EXPO or to remove any person after the start of any part of the IAG EXPO, with no refund of any fees paid or payable.

AMENDMENT

IAG reserves the right to modify or amend these terms and conditions at any time.

ASSIGNMENT AND SUB-CONTRACTING

You shall not assign, delegate, sub-contract, transfer, charge or otherwise dispose of all or any of your rights and responsibilities in relation to the IAG EXPO without our prior written consent. Such consent shall not relieve you from any liability or obligation and you shall be responsible for the acts, omissions, defaults and/or negligence of your sub-contractors as fully as if they were your own.

BADGES AND CREDENTIALS

Any badges or credentials issued by IAG are the sole property of IAG and must be surrendered upon demand to IAG representatives. IAG-issued credentials must be prominently displayed while at the IAG EXPO or related activities. False certification of an individual as an attendee, misuse of an attendee badge, or any other method or device used to assist unauthorized personnel to gain admittance to the IAG EXPO or related events may result in expelling the attendee and his representative(s) from the IAG EXPO and/or banning them from future entry to IAG events. The attendee, their respective employees and agents, and anyone claiming to be at the IAG EXPO by virtue of any connection to the attendee, waives any rights or claims for damages arising out of the enforcement of this condition.

BEHAVIOR
