

16 April 2026

MR. ANDREW W. SCOTT
Vice Chairman and CEO,
Inside Asian Gaming (IAG)

Dear Andrew,

**FORMAL PAGCOR ENDORSEMENT:
IAG EXPO, SEPTEMBER 14-17, 2026**

On behalf of the Philippine Amusement and Gaming Corporation (PAGCOR), it is my distinct honor to extend our formal endorsement of the IAG Expo, which is scheduled to be held at Newport World Resorts, Manila from September 14 to 17, 2026.

In addition to our full endorsement of the IAG EXPO, we are pleased to convey our strong and enthusiastic support for all five key components of the event and its surrounding activities, specifically:

1. *The iGaming Discovery and Exchange Summit*
2. *Manila After Dark*
3. *IAG Academy Summit*
4. *IAG Academy IR Awards*
5. *The Regulators Forum*

PAGCOR recognizes the vital role that IAG has played, and continues to play, in supporting and covering the legal, regulated gaming industry in the Philippines and across the broader Asia-Pacific region since its establishment in 2005. Over the past 21 years, IAG has firmly positioned itself as the leading and most respected media authority on the land-based gaming sector in the region. Its credibility, influence, and consistent dedication to high-quality industry coverage have made IAG a key force in convening premier events, including the IAG EXPO.

We would also like to highlight IAG's proven track record in successfully hosting major industry gatherings. These include Manila After Dark, the IAG Academy Summit, and the IAG Academy IR Awards at Newport World Resorts in September 2023, 2024, and 2025, as well as the IAG Exhibition and The Regulators Forum, also held at Newport World Resorts in September 2025.

IAG holds a unique and influential position within the Asian gaming landscape. Founded in Asia, it has evolved over the past two decades into far more than a media brand or an events organization. Today, IAG serves as a unifying platform that brings together global leaders and key industry stakeholders, with a particular emphasis on the Philippines. Through its thought leadership and convening power, IAG plays a pivotal role in shaping the industry narrative and advancing important discussions on growth, innovation, and the sustainable development of our sector.

We are confident that the 2026 IAG EXPO will not only showcase the latest cutting-edge technologies but will also set new benchmarks in industry thought leadership. Moreover, the event will create meaningful opportunities for informal networking and engagement, fostering an environment where professionals can exchange ideas and insights in a collaborative and relaxed setting.

Hosting the IAG EXPO in the Philippines further underscores our nation's position as a premier destination for business, partnership, and excellence. We fully support the IAG EXPO, as it aligns seamlessly with PAGCOR's longstanding commitment to promoting the growth and sustainable development of the Philippine regulated gaming industry.

We are certain that the IAG EXPO will be a resounding success, and we look forward to welcoming it back to our shores annually for many years, if not decades, to come.

Kind regards,

ALEJANDRO H. TENGCO
Chairman and Chief Executive Officer
PAGCOR
