WELCOME MESSAGE

ALEJANDRO H. TENGCO

Chairman and CEO
Philippine Amusement and
Gaming Corporation

It is my distinct pleasure to welcome all attendees, nominees, finalists and industry leaders to the IAG Academy IR Awards 2026.

The integrated resort industry has become one of the most dynamic and influential sectors in the Asia-Pacific region, driving tourism, investment, employment and economic growth while creating world-class entertainment and leisure destinations. As our industry continues to evolve, it is fitting that we recognize the individuals and organizations whose vision, leadership and commitment to excellence are helping shape its future.

The IAG Academy IR Awards represent far more than a celebration of achievement. They serve as a recognition of the innovation, professionalism and dedication that continue to elevate standards across our industry. The accomplishments honored through these awards demonstrate how strategic leadership, creativity and collaboration can generate lasting value for businesses, stakeholders, guests and the communities in which we operate.

At PAGCOR, we are proud to support initiatives that celebrate excellence and encourage the continued advancement of a vibrant, responsible, and globally competitive gaming sector. We pay tribute to outstanding individuals and organizations whose contributions have raised industry standards, driven meaningful progress, and helped shape the future of our industry. Their achievements reflect the resilience, ingenuity and professionalism that define the integrated resort sector and serve as a powerful reminder of what can be accomplished through dedication, vision and shared purpose.

WELCOME MESSAGE

I extend my heartfelt congratulations to all nominees, finalists and award recipients. Your accomplishments deserve recognition, and your contributions continue to strengthen and advance our industry throughout the Asia-Pacific region.

On behalf of PAGCOR, I wish all participants and guests a rewarding and memorable IAG Academy IR Awards 2026. May this celebration of excellence continue to inspire innovation, responsible leadership and the pursuit of higher standards across our industry for years to come.

Mabuhay and congratulations to all.

Alejandro H. Tengco
Chairman and CEO
Philippine Amusement and Gaming Corporation

WELCOME MESSAGE

ANDREW W SCOTT

Vice Chairman and CEO
Inside Asian Gaming

Welcome to the IAG Academy IR Awards 2026.

It is hard to believe how far the Asian integrated resort industry has come in such a short period of time. What was once a relatively small collection of casino resorts has developed into a sophisticated and highly competitive regional industry, encompassing some of the world's finest hotels, casinos, restaurants, entertainment venues and attractions.

And it is an industry that continues to evolve.

From the established markets of Macau and Singapore to the extraordinary growth of the Philippines, the continued development of Korea, Cambodia and Vietnam, the challenges facing Australia and New Zealand, and the exciting prospects emerging in Japan, there has never been a more interesting time to be involved in Asian integrated resorts.

That makes it increasingly important that we recognize the people and properties setting the standards for everyone else.

The IAG Academy IR Awards are intended to do exactly that.

These are, quite deliberately, the awards of the Asian IR industry. We have always sought to create an awards process that is credible, transparent and genuinely representative of industry opinion rather than one influenced by commercial considerations.

WELCOME MESSAGE

This year, once again, we have brought together an independent panel of industry experts to determine the winners across our various categories. Our judges represent a broad cross-section of the industry, and those with a vested interest in a particular category are excluded from voting in that category.

The result, we believe, is an awards program which recognizes genuine achievement and gives winners something they can be truly proud of.

The continued growth of these awards also reflects the growth of the industry itself. What began as a modest event in Macau in 2021 and moved to Manila in 2023 has gone on to develop into one of the major fixtures on the Asia-Pacific gaming calendar, and we are delighted that Manila and Newport World Resorts continue to provide such an outstanding home for the occasion.

I would like to thank Newport World Resorts and Manila Marriott for their continued support, our judges for giving their time and expertise, and of course the entire IAG team, whose hard work behind the scenes has once again brought tonight's event together.

Most importantly, congratulations to all of tonight's nominees and finalists. To be recognized among the best in this extraordinary industry is an achievement in itself, and I hope our winners will enjoy their moment in the spotlight.

So, please enjoy the evening. Enjoy the company, the food, the entertainment and, most of all, the anticipation as we reveal this year's winners.

Welcome to the IAG Academy IR Awards 2026 – and good luck to everyone!

ACADEMY IR AWARDS

ABOUT IAG ACADEMY AWARDS

The organizer of the **IAG ACADEMY IR AWARDS**, Inside Asian Gaming (IAG), is an Asian born and bred company with an in-depth knowledge of the people and companies who have made the industry in the Asia-Pacific region what it is today. Publishing around 2,000 news, analysis and opinion articles on the industry in APAC each year, IAG has the credibility and convening authority to organize the most prestigious, credible and recognized Awards for the Asia-Pacific Integrated Resort industry.

Our number one priority with the **IAG ACADEMY IR AWARDS** is transparency and fairness. As with everything IAG does, we do it differently. We want to see the true best-of-the-best honored and therefore take extraordinary steps to ensure each category is judged and awarded without fear or favor.

Anybody can participate in the public call for candidates. The Awards judging process is fully audited. There are no less than 100 Awards judges. The criteria to be a judge is published and any person meeting that criteria will be allowed to become a judge if they wish to do so. Judging is by vote and the votes are sealed and kept indefinitely to allow future audit if necessary. All these measures create a set of awards that distinguish themselves from most others — the industry knows these awards simply cannot be bought and therefore have outstanding credibility.

The **IAG ACADEMY IR AWARDS** are the true awards of the Asia-Pacific gaming industry!

The Awards have been running since 2021.

Inside Asian Gaming is Asia's leading B2B digital and print media brand for the gaming, resort and entertainment industry. It has the highest website traffic, social media following, digital newsletter distribution and print magazine distribution of any such brand.

Founded in 2005, IAG has a broad business editorial focus on the Asian gaming and integrated resort industry. It is widely distributed to industry executives throughout Macau and the rest of Asia in two formats: a monthly English and traditional Chinese fully bilingual digital and print magazine and a daily e-newsletter titled *IAG Breakfast Briefing*, delivered at 8am Macau time in English and 11am in traditional Chinese each weekday. IAG also publishes special magazine editions for G2E Asia each May, the IAG EXPO each September, Asian Gaming Power 50 each November and a Philippines special each December.

IAG produces all original content. As well as almost always being the first media outlet to publish breaking industry news, the deep domain knowledge our journalists have accumulated from as far back as the 1980s allows IAG to offer highly insightful opinion pieces and analysis of industry news. We do not aggregate media content or copy from other media outlets. Conversely, IAG is often the original source (sometimes credited, more often not!) of many stories published around the world covering the Asian IR and gaming industry.

AWARDS PROCESS

PUBLIC NOMINATION PERIOD

Mon 8 Jun to Wed 5 Aug 2026

Any member of the public is allowed to submit candidate names for any award category by visiting iagexpo.com and completing the nomination webform. There is no prohibition against self-nomination. Nominations close strictly at midnight Manila time at the end of Wed 5 August 2026, and late nominations will not be accepted.

PUBLIC CANDIDATES EVALUATION

Thu 6 Aug to Fri 14 Aug 2026

A select committee of the Judging Panel (itself appointed by the Chairman of the Judging Panel) will select the official nominees for each award category from amongst the public candidates received during the public call for candidates period.

NOMINEE ANNOUNCEMENT AND PROMOTION

Mon 17 Aug to Tue 1 Sep 2026

The official nominees for each category will be publicly announced on iagexpo.com, IAG's website asgam.com, and by direct email to IAG's entire email list, beginning a publicity period before the official voting period begins.

AWARDS PROCESS

OFFICIAL VOTING PERIOD

Fri 4 Sep to Fri 11 Sep 2026

The full panel of judges will vote on all categories. The voting system is first-past-the-post, and the Chairman of the Judging Panel has the casting vote in the event of a tie. Any judges who were nominated, whose organizations were nominated or have a conflict of interest as determined by the Chairman of the Judging Panel will be recused from the relevant category or categories.

VOTE TALLYING AND AUDITING

Sat 12 Sep to Mon 14 Sep 2026

The votes will be tallied by the Chairman of the Judging Panel in a secure location. The Chairman then certifies the winners, with the entire process independently audited. The results will be locked in a safe until just before the commencement of the Awards ceremony.

AWARDS CEREMONY

Tue 15 Sep 2026

The Chairman of the Judging Panel keeps the winners' envelopes on his person until just before the winners are announced.

MEET THE JUDGES

The judging panel of the IAG Academy IR Awards comprises some of the most experienced minds in the business representing a variety of sectors including operators, suppliers, lawyers, consultants, industry media and more. They are all extremely well-connected to the industry.

The very large judging panel of 100 judges was chosen for two reasons. Firstly, it provides a broad cross section of the industry. Secondly, a large voting pool promotes a very fair and democratic process in the selection of the winners, adding to the credibility and prestige of the awards.

All judges were required to meet certain pre-determined criteria to be admitted to the judging panel, including a minimum of 10 years IR industry experience with a minimum of five years in the Asia-Pacific region. But for many of the judges, their industry experience spans many decades.
